### **LOCAL BUSINESS DONATES AMID COVID-19**

MEC for Social Development, Mrs Thandi Shongwe along with the Executive Mayor of Dipaleseng Local Municipality, Clr. Mafunda Makhubu received a massive and much needed donation in the form of food parcels and PPE from one of the local business role players.

Sibanye Still Water donated 1000 food parcels as well as 3 600 PPE such as masks, gloves and sanitizers for the benefit of the local community.

The MEC directed that the distribution of these items by the Department of Social Development should commence without delay.

This takes place while Dipaleseng along with the rest of the country and the world continue to fight the scourge of the COVID-19 global pandemic.

To date the same department has distributed over 575 food parcels to deserving beneficiaries from and around Dipaleseng. The Department of Social Development is

the custodian of the Social Relief of Distress Program. Individuals wishing to apply for the food parcels are advised to call 017 773 0447/017 773 0449 during working hours.

People and business who want to donate food parcels are requested to contact Ms Zandile Mabhena - DSD Area Manager.

The department is expected to keep the register of donations and account for the distribution of each and every item.

The community is urged to continue exercising personal hygiene by washing their hands with soap and water, sanitizing, staying at home and always wearing a mask if and when going out. Adherence to set regulations is expected from everyone at all times.
