SECTION 106 REPORT

The municipality acknowledges the media enquiries received from various media houses and hereby responds in this manner.

The municipality refutes any suggestions that Council sat on the Section 106 report since October 2021 as previously reported or otherwise insinuated. The MEC of COGTA in Mpumalanga only presented the report to Dipaleseng Local Municipality council on Thursday, 10th February 2022.

Dipaleseng Local Municipality then convened a Special Council meeting on Monday, the 28th February 2022, wherein it resolved inter alia in committee, that a committee of council be established to monitor the implementation of the Action plan as recommended in the section 106 report.

This council committee will work jointly with the MEC's multi task team that is already in place to serve on this matter.
