

DIPALESENG LOCAL MUNICIPALITY

PUBLIC NOTICE

FRAUDULENT ACTIVITIES INVOLVING PERSONS IMPERSONATING MUNICIPAL OFFICIALS

The Municipality hereby alerts all community members and business stakeholders to a recent scam involving individuals posing as municipal officials, including the Municipal Manager and the Director: Infrastructure Services. These fraudsters are soliciting money from unsuspecting persons under the false pretense of awarding them tenders.

The Municipality wishes to emphasize that all official procurement processes are conducted strictly in accordance with approved supply chain management policies and do not, under any circumstances, involve the exchange of money or personal favors.

Community members and business owners are strongly warned not to engage with or make any payments to such individuals. Any person approached in this manner is urged to immediately report the matter to law enforcement authorities for proper investigation and action.

The Municipality remains committed to transparent and lawful procurement practices and will not tolerate any fraudulent or corrupt activities.
