FOR IMMEDIATE RELEASE

EMPLOYEES CELEBRATE THEIR AFRICANISM

In South Africa, the month of May marks Africa Month under the theme **“Celebrating 25 Years of Democracy: Building a Better Africa and a Better World.”** The month is an opportunity to promote African unity, deeper regional integration and recommit Africa to a common destiny.

On Friday, 24th May the employees of Dipaleseng Local Municipality adorned in different and colourful traditional attire in line with other planned activities by the Department of Arts and Culture and others which will culminate with Africa Day celebrations on 25 May 2019. The annual commemoration of Africa Day marks the founding of the Organisation of African Unity (OAU) in 1963.

A focal point of this year’s Africa Month programme is to promote and support the preservation and revival of indigenous languages, and to create discussion platforms for South Africans, in particular local communities, to engage in conversations on Africa’s past, present and future, to foster solidarity and to build unity.

This year’s celebration coincides with the commemoration of 25 Years of Democracy and 23 years of existence of the Constitution which will be used to reflect on the achievements of the past 25 years.
