

DIPALESENG LOCAL MUNICIPALITY

URGENT PUBLIC NOTICE

The municipality would like to inform community members of the unsafe state of the water within Dipaleseng Local Municipality jurisdiction.

Regular water sampling and testing are conducted by the Municipality as well as through the Gert Sibande District Laboratory to ensure the safety and quality of portable drinking water provided by the municipality. It is through this recent process that this information came to the institution's attention.

THE COMMUNITY IS THEREFORE ADVISED TO FOLLOW TREATMENT PROCESS OF BOILING WATER PRIOR TO CONSUMPTION.

The municipality assures the community that all reasonable measures are urgently being taken to remedy this situation and bring the quality of our portable water to acceptable standards as soon as possible.

The municipality would also like to apologize for this unpleasant condition and continues to bank on the community's cooperation in this regard.
