#### **IDP AND BUDGET APPROVAL**

At the Special Council sitting on Tuesday, 31<sup>st</sup> May 2022, Dipaleseng Local Municipality accordingly approved its Final 2022-2027 Integrated Development Plan (IDP) and Medium Term Revenue & Expenditure Framework for the 2022/23 Financial Year as prescribed by the Local Government: Municipal Finance Management Act 56 of 2003.

Interested community members can peruse these documents as they are available for public consumption from the official website of the institution, public libraries as well as municipal offices.

It is also worth mentioning that at the said meeting, Council also considered amongst other reports, the second quarterly report as submitted by the Council's Ad Hoc Committee to oversee the implementation of the Action Plan in relation to the investigation report which was commissioned in terms of Section 106(1)(b) of the Local Government: Municipal Systems Act 32 of 2000.

This is in line with Council's resolution S 03/02/22 taken on Monday, 28<sup>th</sup> February 2022, wherein it resolved *inter alia* in committee, that a committee of council be established to monitor the implementation of the action plan as directed by the recommendations of the report and thereafter report to Council as well as the MEC of the Department of Cooperative Governance & Traditional Affairs (CoGTA). It also ought to be noted that the aforesaid Ad-Hoc committee of Council is working in collaboration with a multi-task team comprising of CoGTA, SIU, Hawks, SAPS.

Furthermore, it should be noted that the action plan and all remedial actions contained therein has a lifespan of a year from now as it is anticipated that all remedial actions would have been exhausted by June 2023, afore such time, the municipality meekly appeals for space to duly implement these in full and in accordance.

Please be further advised that due processes and mechanisms shall prevail to cascade and disseminate Council information via ward meetings, municipal website, municipal quarterly newsletter and other recognized social media platforms.
