MEDIA STATEMENT: SASOL MINING DONATES DIGNITARY PACKS TO SCHOOLS IN DIPALESENG LOCAL MUNICIPALITY

In its effort to make a meaningful change in South African society, focusing on some of the country's most vulnerable citizens, Sasol hosted an event in support of over five hundred (500) learners at two high schools in Dipaleseng Local Municipality.

Sasol employees also donated towards this initiative through the Sasol For Good programme, a platform that allows employees an opportunity to partake in giving back to the community. With the aim of restoring their confidence and dignity, the young ladies were given a year's supply of hygiene packs and young men were given dignity packs.

In his welcoming address, Member of Mayoral Committee, Cllr. Ahmed-Nazir Carrim, thanked Sasol for the donation and its contribution to the people of Dipaleseng and affirmed that the relationship between Dipaleseng Local Municipality and Sasol will surely yield more beneficial results in the future. "We hereby welcome all social labour plans and corporate social investment programs towards the improvement and betterment of our communities through our social partners such as Sasol," he concluded.

Learners of both Tshepeha and Isifisoethu Secondary School braved the cold weather in song and dance in appreciation for the donations received.
