URGENT PUBLIC NOTICE

ELECTRICITY SERVICE DISRUPTION IN BALFOUR AND PARTS OF SIYATHEMBA

The community is hereby notified an electricity service disruption which affects Balfour North, Balfour Town, Joe Slovo as well as Nkanini areas.

On Sunday, 18th August 2024, Eskom had a planned outage at the Balfour Substation owing to routine maintenance work. During the energizing process, post this maintenance work, the transformer at the Balfour Munic Substation malfunctioned plunging all the above-cited areas into continued disruption of service.

A specialized technical team from Witbank has been dispatched by Eskom and is currently onsite attending to the matter.

Presently, the anticipated restoration time of this service cannot be pinpointed as the extent of damage and the way forward procedure are still to be ascertained.

The municipality apologizes for any inconvenience caused by this anomaly and will provide updates as and when necessary.
