Following the public notice issued by the institution on Tuesday, 12 November 2024, the public is further notified of an intensified disruption of water provision in Siyathemba, which is now also affecting Balfour Town, Balfour North as well as Greylingstad and Nthoroane areas.

This is due to exacerbated technical challenges being experienced at Fortuna Water Treatment Plant over and above those that were experienced earlier in the week.

The municipality is working assiduously to overcome this challenge with the great speed and profusely apologize for the inconvenience.
